

Next Generation Security Solutions

Taking control over loss-prevention has never been more urgent. With our latest developments in crime detection technology, you can be reassured that your business and home are no longer an easy target. Prevent and minimise the impact of these damaging risks.

Did you know?

- There were over 557,000 recorded offences comprising burglary, robbery and theft in England in 2019.*
- The total annual cost of crime prevention has risen to a staggering £2.2 billion in 2020. Up 16% from the previous year, with the losses to crime such as theft and fraud standing at £1.0 billion, according to the British Retail Consortium (BRC).**
- Customer theft is the most significant type of loss and damage, it accounts to more than £770 million lost to criminals**

How can Aviva help?

At Aviva, we've partnered with SECOM Plc who can offer security protection products and services to Aviva customers at preferential rates, including:

- Consultative survey
- Intruder alarm security
- High definition and interactive CCTV systems
- Smart phone notifications and video
- Access control and physical security products

What are the benefits?

- Peace of mind and protection for your staff
- Deterrent against theft and resultant damage to your property
- Supports business resilience to keep you trading
