# Financial Institutions

# Together, we can take care of what's important

The FI offering provides a range of products for the financially regulated sector. A dedicated team focuses on the needs of clients who supply financial services in a challenging economic environment. Constantly changing fiscal and regulatory landscapes mean financial institutions are confronted with increasing requirements to deliver their proposition.

## What's eligible?

We offer cover for financially regulated businesses including but not limited to:

- a. Banks and other lending institutions
- b. Insurance Companies
- c. Investment Management Companies and Funds, including Hedge Funds, Private Equity and Real Estate.

## What does the cover do?

We provide a range of products to protect businesses and individuals from financial loss. These include:

### **Directors and officers liability**

Provides protection to senior management for claims brought against them for alleged wrongful acts including defence costs, damages and settlements. Other coverage highlights include pre-investigation cover (for legal advice), emergency defence costs, outside directorship cover and automatic cover for acquired/created subsidiaries.

### **Professional indemnity**

Provides cover to the business for a claim brought for a failure to perform a professional service where they are legally liable. Additional policy covers/ extensions available include court attendance costs, bilateral discovery period and official investigation costs.

### **Crime**

Provides broad protection for direct financial loss due to theft, fraud or dishonesty of employees and fraud by third parties. Cover can include money transfer errors, malicious damage to data and reconstitution costs.

### **Employment practices liability**

Provides protection for actual or alleged employment practice violation claims against the business. Advanced defence costs to manage potential costly litigation and fees for legal support for official investigations included.
