

Online Health & Safety E-Learning

Training your staff in appropriate Health, Safety and Compliance areas is not only a legal obligation but a moral duty. Being able to record, measure, track and report upon training is essential to prove compliance and to safeguard your organisation against threats.

Did you know?

- There were 1.6 million work-related ill health cases in 2019/20.*
- 38.8 million working days were lost due to work-related ill health and non-fatal workplace injuries in 2019/20.*
- The annual cost of work-related injury and new cases of ill health in 2018/19, excluding long-latency illnesses such as cancer, was £16.2 billion.*

How can we help?

At Aviva we can provide solutions through Safety Media, an Access Company, to help prevent incidents from happening. We want to enable you to not only comply but make sure you're doing all in your power to maintain the safety and well-being of your employees. Preferential rates are available to Aviva Customers.

What are the benefits?

- Consistent training – your employees, no matter where they are based, are receiving the same, consistent safety messages
- Reduce corporate risk – effective staff training can positively impact your client's safety culture, reduce risk and enhance corporate responsibility
- Cost effective – an alternative to classroom based training
- Traceability – the system provides a complete audit trail of learning history providing online training records.
