

Safes

In the modern world, protection of highly valuable and sensitive property in both your home and business is important. Safes offer the opportunity to provide that additional protection required for enhanced security of these assets.

Did you know

- There were over 3.6 million thefts and burglaries in England and Wales in the year ending March 2020*
- It is essential to ensure you have the right type of safe for the value and type of property you are protecting
- Safes are graded by the levels of protection they can offer
- Selection of your safe for appropriate testing and certification is prudent

How can Aviva help?

At Aviva we can provide access to purchase Safes through our Specialist Partner, Insafe. Their products are certified by recognised testing houses and have guaranteed insurance approved protection. Preferential rates are available for Aviva customers.

What are the benefits?

- Enhanced security protection for your property
- Reassurance of fully tested and certified products
- Full range of bespoke solutions tailored to your needs
