

# Security Marking

**From mobile plant, machinery and equipment to laptops and smart phones, it's important to deter theft of any property. Forensic marking is a valuable solution to assist with marking and identifying your property.**

## Did you know?

- There were 3.3 million incidents of theft estimated in England and Wales for the year ending March 2020.\*
- Police in England and Wales recorded 356,017 burglary offences for the year ending March 2020.\*

## How can Aviva help?

At Aviva we can provide property security marking services through our Specialist Partner Selectamark Security Systems Plc to offer businesses and homeowners the opportunity to protect their world. Preferential rates are available to Aviva customers.

## What are the benefits?

- Security marking is easy to implement.
- It's a low cost and highly effective theft deterrent.
- Range of versatile products including DNA forensic marking and intruder spray systems.
- If your property is lost or stolen, it can be traced back to you by the Police.
- Reduces the risk of disruption, caused by physical damage, loss of trading, negative impact on staff and loss of data.
